Chair of Committee made the announcement that the Appointments Committee members would be conducting interviews for the Planning Board, and Conservation Commission for those that submitted applications, however the Appointments Committee would hold recommendations of these two until all applications and reappointment considerations have been scheduled and interviewed.

Interview the following candidates

Rachel Todoroff, Conservation Commission: Ms. Todoroff works at Sturgis Charter School, as is pleased to see that the Town of Barnstable has a Conservation Commission, she feels passionately about the environment and once our resources are gone, they are gone, and you can't get them back.

She would like to be part of the Conservation Commission to add a different perspective on the environment.

Chair of Committee asked if any of the Committee members had any questions, Councilor Tracy Shaughnessy asked about consensus and how does she believe a Commission such as Conservation gets to that. Ms. Todoroff said that especially today that is a real challenge, but as someone who

works in a school, you need to be open to all ideas, and thoughts, and then on those ideas and thoughts you build a compromise for the solution by using everyone's thoughts and ideas, it can't be one sided. Ms. Todoroff understands she needs to learn a lot, and is willing to learn. Councilor Atsalis asked if she is aware of the Wetlands Protective Act that guides the Conservation, she knows a little, but understands she has a huge learning curve, and wants to give back to her community in an area she is passionate about.

To Whom It May Concern:

My name is Angela Tangney and I would like to pursue a vacant seat on the Sandy Neck Board or the Conservation Commission. I am an eleven year resident of West Barnstable living close to Sandy Neck Beach. I have had the pleasure to experience and appreciate this ecosystem and all that it has to offer. As a recently retired science teacher I now have the time to give back and help preserve this wonderful place that I call home.

Thank you for your consideration.

Daniel Gomes, Youth Commission: was a member a year when he was an 8<sup>th</sup> grader, but had to move off Cape for a while, and has returned and would like to get back into the Youth Commission. He currently attends Barnstable High School as a freshman, and is aware of all the programs and events that the Youth Commission participates in and organizes.

Councilor Mendes asked Mr. Gomes if he saw anything at the High School right now that he sees as a problem that does not have a great solution. He sated the vaping in the bathroom is a serious issue, there are alarms in the bathroom, however by the time the teacher arrives at the bathroom, those that violated the rule get away, and the innocent student just using the bathroom is now subjected to a search, he sees this policy as wrong and unbalanced. He also knows students that will not even use the bathroom the entire day because of this policy.

Sophia Machnik, Youth Commission: She heard about the Youth Commission first through her Councilor, then she looked at the information regarding the Youth Commission and reached out to Izzy Rudy, current Chair of the Youth Commission, who was very glad to explain in more detail about the Youth Commission, and she decided from that conversation with Izzy, that she wanted to become a member of the Youth Commission.
