VIA: ELECTRONIC CORRESPONDENCE

To Whom It May Concern:

I am enclosing my application and resume for your consideration to participate in the following Board/Commission/Committee: (1) Board of Health (2) Council on Aging (3) Housing Committee (4) Hyannis Main Street Waterfront Historic District Commission (5) Zoning Board of Appeals.

I have been a resident of Marstons Mills since 2010 and have lived on Cape Cod since 1999. I am raising my family here as a single mother to two children, Brady (20), and Isabelle (7). I moved here in 1999 and worked in the restaurant industry while attending school full-time. I then worked as a Records Clerk and subsequently Financial Assistant to the Chief in the Town of Yarmouth. In 2007 I became a full-time police officer for the Town of Yarmouth and in 2009, I passed the Massachusetts Bar exam and became a member of the Bar.

I have a passion for community service and have been fully involved in community activities in Yarmouth as a police officer; I established the Fill-a-Cruiser in 2009 (it is still held bi-annually) and brought the White Ribbon Day Campaign to Cape Cod in 2013; and continue to be involved in multiple community service programs throughout the Cape & Islands. I am a graduate of the Community Leadership Institute as well as Barnstable's Citizen Leadership Academy. I have served on multiple boards including The Yarmouth Food Pantry, Independence House, and the Massachusetts Association of Women in Law Enforcement.

I thank you for your time and consideration of my application.

Yours truly,

Melissa R. Alden, Esquire

Ms. Alden had chosen several Committees on her application; however she is more passionate about the Council on Aging. Chair of the Committee asked if any of the other Appointments Committee members had any questions for Ms. Alden. Councilor Starr asked what her passion was for the Council on Aging,

and why she would be a good fit for the committee. Ms. Alden received her Master's in Elder Law and it has been her focus. Prior to that she was part of the SHINE Program and is certified, finds it very interesting to work with the elderly with benefits, or anything else they need help with. Ms. Alden was a police officer in Yarmouth for a number of years, and through that she discovered that the elderly population here on the Cape need a lot of services, and there is not enough people to assist with everything that needs to be done, so she feels that she is a very good fit for the Committee as her passion is helping those who can't or that do not have family here to support them.

Councilor Mendes asked about as far as the elderly population, what is the most urgent issue they are facing. Ms. Alden stated Housing, lack of oversight at the Nursing Homes, who they hire to care for the individuals in Nursing Homes, lack of resources on the Cape for Nursing Homes. Would like to see intergenerational happen here, but not sure how that would work, but it's an idea she has. Councilor Shaughnessy thanked Melissa for applying, Councilor Shaughnessy said this Committee does need young individuals that do this type of work in the Community, so it is great to have someone such as Melissa join the Council on Aging.

Dear Town Councilors and Appointments Committee:

I would like to be considered as a potential member of the Town's Infrastructure & Energy Committee. I have been keenly interested in energy and environmental issues for almost all my adult life. My 45-year career focused on the energy industry, and with my recent retirement (last month), I am looking for ways that I can continue to contribute to my community and society with respect to matters in which I have the interest, background and some degree of expertise.

Over my career, I have worked as a lawyer, businessperson, and consultant, and have worked for or with various industry segments, including government, electric and gas utilities, power plant developers, and energy marketers. In recent years, I was the project lead for the Independent Evaluator team (selected by the Massachusetts Department of Energy Resources and Attorney General's Office) that oversaw four large-scale competitive clean power procurements, including three for offshore wind energy resources. Through both my work and volunteer activities, I have also worked on a variety of green power purchase and sale activities, both on a retail and wholesale level. For further information on my background, please refer to my resume, which I have submitted with my application.

I look forward to your consideration of my application. If appointed to the committee, I will work to be a helpful and constructive contributor.

Very truly yours,  
  
Barry J. Sheingold

Chair of Committee thanked Mr. Sheingold for his interest in applying for the open position on the Infrastructure and Energy Committee. Chair of the Committee asked the other members if they had any questions for Mr. Sheingold. Councilor Mendes asked "What sector of the Energy Commission did you work for?" Mr. Sheingold started as a lawyer for the Federal Energy Regulatory for the Federal Government that regulates the cost of Energy at a Federal level, worked for a utility company as a lawyer. Started his own business about 20 years ago. Councilor Starr asked about electric vehicles and his thoughts on this. Mr. Sheingold said he is very interested in this, but has no agenda on it and if the

Infrastructure and Energy Committee looks at this topic, he would certainly work with the members on whatever they wanted to focus on.

Councilor Shaughnessy asked if he was aware that Barnstable is moving in that direction of all types of Energy solutions. Councilor Shaughnessy asked about consensus and how does he feel we get there as a Town. Mr. Sheingold answered it's important to hear all opinions, and then formulate the solution for all the ideas. Chair of the Appointments Committee thanked Mr. Sheingold for submitting such an extensive resume and application; also explained was the process after tonight's interview.

Rev 05/17/19

Councilor Atsalis thanked Ms. Brown for applying and asked what her vision of the Recreation Commission was. Ms. Brown stated it is an Advisory Board and understands the role of the Recreation Commission. She feels that the HYCC needs more to offer the visiting teams, there is no snack bar operation, so there is nothing to offer anyone, and to keep the use of the spaces that are vacant now should be filled. Would like to see more use of the facility as a whole, there is so much more that can be done. The fields in our Town need some help to bring in more to the Cape, we on the Cape travel off Cape to do all the things we should be doing here. Councilor Atsalis asked about why the snack bar is closed, she is not sure why, she did look into it but did not get far with any answers, she would always go to the Kennedy Rink and the best thing was the food, everyone gathered before skating and talked and ate it was fun, at the HYCC it's just a facility now.

Councilor Shaughnessy thanked her for submitting her application and asked what her perspective was on getting more programs here. She believes it's the marketing of the HYCC, there is so much that that facility could offer, we had all this back in the day, but it has all disappeared and we need to get all that back again and make Barnstable what it was before.

Councilor Atsalis asked what she thought the Committee needed in order to protect the history of Main Street, she wants to bring back the old main street where people come to shop like in Falmouth and Chatham there needs to be more Community involvement on the happenings in Hyannis, Main Street needs to be brought back to the old way and she wants to help bring it back.

Letter of Interest

To whom it may concern:

I am submitting an application to participate on a board, commission or committee with the Town of Barnstable. I am a lifelong resident of the town who is now raising my family here, and I recognize the importance of citizen involvement in local government and am committed to serving in whatever capacity I am able. I do work full time during the week so my preference is towards an assignment which mainly hosts its meetings in the evening hours. My first choice would be the Comprehensive Financial Advisory Committee. I look forward to serving the town.

Sincerely,

A handwritten signature in cursive script that reads "Chris Lauzon".
