ITEM # 2019-159
INTRO: 03/21 /2019, 04/04/19

SUMMARY

TO: Town Council
FROM: Mark S. Ells, Town Manager
THROUGH: Daniel W. Santos, P.E., Director of Public Works
DATE: March 21, 2019
SUBJECT: Resolve acceptance of sidewalk easement for 80 Perseverance Way, Hyannis, Ma

BACKGROUND: In 2018, the Town was awarded a MassWorks Infrastructure Program grant in the amount of \$3.75 million. This grant will make critical upgrades to two existing intersections, extend public utilities and improve pedestrian connectivity in Hyannis's major commercial center. The public infrastructure project will alleviate existing traffic congestion and mitigate future congestion by promoting multimodal transportation options. A minimum of 6 foot wide sidewalks will be installed within this project area. To provide this adequate sidewalk width, an easement at 80 Perseverance Way is required. This property abuts Attucks Lane, where the sidewalk will be located.

ANALYSIS: Acceptance of this easement is critical to the construction for the MassWorks project within Independence Park.

FINANCIAL IMPACT: There is no cost for this easement.

TOWN MANAGER RECOMMENDATION: The Town Manager recommends acceptance of this easement.

STAFF ASSISTANCE: Daniel W. Santos, P.E., Director of Public Works
