Re: Straightway Water Treatment Facility Project Notice of Informational Meeting

Dear Property Owner,

The Town of Barnstable Department of Public Works, Hyannis Water System, and its consultant, Kleinfelder, have actively been working to design improvements to the Straightway and Hyannisport Water Treatment Facilities, located at 228 Straightway and 132 Smith Street, respectively. These sites are critical components to the Hyannis Water System, located on approximately 48 acres of protected water supply land.

Interested individuals are invited to attend an informational meeting to review proposed preliminary plans for this project, which ultimately will provide a public health benefit by improving the drinking water quality, reliability, and resiliency of the Town of Barnstable's Hyannis Water System.

The informational session will be held:

VIRTUALLY on Tuesday, August 6, 2024, at 6:00 P.M.

Join Zoom Meeting:

<https://townofbarnstableus.zoom.us/j/84838420721?pwd=IP3lkX7yY6cr9Uf4xtqSLOaMy5Zkih.1>

Meeting ID: 848 3842 0721

Passcode: 338146

To request oral language interpretation or other accommodations, including an alternative time (evening/weekend) or location for the meeting, please contact the Hyannis Water System project team at hyanniswater@town.barnstable.ma.us by July 31, 2024.

To review current project materials including a comprehensive project description, please visit the Straightway Water Treatment Plant project page located here: <https://townofbarnstable.us/Departments/watersupply/Straightway-Water-Treatment-Plant.asp>

For those unable to attend, the meeting will be recorded and later posted on the project page for anyone to view.

Should you have additional questions or wish to provide written comments, please contact me at your earliest convenience.

Sincerely,

Matthew Wrobel
Senior Project Manager – Water & Sewer
