

2022 – 2023 Snow & Ice Health & Safety Protocols

Please review and adhere to the following safety protocols during snow and ice events and equipment registration to assist in keeping each other safe and healthy this winter.

• **Snow & Ice operations**

- Do not enter DPW facilities if feeling ill or have been exposed to a COVID positive individual.
- Self-certify that you are symptom free. If you become ill, inform your inspector prior to going home.
- DPW buildings will be **OFF LIMITS** for rest periods and meals. Contractors are to have meal and break times with their truck, equipment or by other means.
- If entering the DPW building for the bathroom facilities you must practice proper hand hygiene; hand sanitizer, soap and water are provided within the facility.
- Practice social distancing of 6' from others in the facility.
- Do not congregate in areas that do not allow for social distancing.
- Always practice proper hygiene protocols. Wash hands routinely and especially prior to eating/drinking. Cover cough and sneeze with tissue and wash hands immediately following. Wash cloth face coverings routinely and discard damaged, dirty or saturated disposable masks.
- The DPW reserves the right to change the standards throughout the year including requiring masks for entry into DPW facilities.
